DRIVE SLOWLY AND CAREFULLY AT ALL TIMES

We are fortunate to have this fabulous tract of land to use.

Let's treat it with the utmost respect.

Our Rules are Simple: Keep it Primitive. Treat the land and others with respect. Anyone showing blatant disregard for the land or other campers will be asked to leave and not return.

PREREGISTERED ONLY Early set up Weekend: October 22-23

NO pets on premises at any time during the event.

NO unmanned fires. Keep a bucket of water on hand for us to put out your fire should we find it unattended. THIS RULE IS STRICTLY ENFORCED!!

NO flash cameras OR flashlights after dark. They disrupt the primitive atmosphere. Dog soldiers will expect your cooperation to enforce this.

NO portable TV's or Radios at any time, PLEASE.

Cell phones should be on silent and kept out of sight – if you need to take a call, please step into your tent.

Parents are responsible for their children; please remind them that all farm buildings/equipment, the woods outside of the registration booth and shooting ranges are OFF LIMITS. Their safety must come first.

Camp Fees: \$40 per camper 18 years or older (includes medallion, wood, water, BBQ chicken on Saturday). Early campers are welcome to stay the week for an additional \$10/per adult over 18 years old which covers the cost of wood and facilities.

Pre-register at reduced rates of \$35 (per camper over 18 yrs old) by returning pre-registration form by October 1st. Make checks payable to **OVPR** and mail to:

Paul Brockman, Purser
